

The Prepay Program – *PAY YOUR WAY!*

United Electric
— CO-OP INC. —

Did you know United Electric has a prepay program? Do you have a deposit here that you would like applied to your bill right now to go towards your energy usage? Would you like the possibility to save more money on your power bill by monitoring your usage more closely? No more late fees, no more bills, just “paying your way” and the simplicity of keeping a credit on your account?

If you answered yes to any of these questions, call the office, 208-679-2222, and ask one of our friendly Member Service Representatives for details and we will get you signed up!
