United Electric is offering incentives for window replacement in existing single family or manufactured homes with primary electric heat. A description of primary heating source (electric forced air furnace, zonal, heat pump, or ductless heat pump).

Here's how to qualify for the rebate:

- Step 1:** Contact Chris Seibold at United Electric prior to starting your project and schedule a **pre-inspection**. Rebate amounts are for the listed price per square foot of window(s) or patio door(s) replaced. Existing windows must be single pane wood, vinyl or aluminum, or double pane aluminum.
- Step 2:** Install qualifying window(s) or patio door(s). Prime window replacement must meet requirements and have a qualifying U-Factor. **Replacement installation that results in increased window area is not allowed under this program.**
- Step 3:** Contact United Electric for post-inspection.
- Step 4:** Provide United Electric with a copy of the replacement window(s)/patio door(s) invoice, and the NFRC stickers showing the U-Factor rating for each window(s) or patio door(s) installed.

*Example of NFRC stickers:

United Electric Representative Use Only:						
Home Type	Existing Window or Patio Door Condition	U-Factor	Home, HVAC Type	Cost	Sq. Ft.	Rebate
Single Family or Manufactured Home	Single pane window, any frame type or double pane window, metal frame type	0.30	Any Electric	\$6.00		
	Single pane patio door, any frame type or double pane patio door, metal frame type	0.35	Any Electric	\$6.00		
	Single pane window, any frame type or double pane window, metal frame type	0.22	Any Electric	\$8.00		
	Single pane patio door, any frame type or double pane patio door, metal frame type	0.30	Any Electric	\$8.00		
Existing Window(s) or Patio Door(s):		Single Pane _____	Double Pane w/ Metal Frame _____			

I certify that window(s) or patio doors(s) were purchased and installed at the above address. I will allow a representative of United Electric to verify installation.

I understand that it is my responsibility to install the window(s) or patio door(s) to meet the United Electric weatherization specification.

Term & Conditions:

Installed Date: _____

- Utility rebate amounts are subject to change and are only offered while funds are available.
- The program requires pre-install approval prior to all installations receiving a rebate.
- Your incentive check should be received within 45 days after the completion of the post-inspection.

Please Include:

- Rebate Form
- Copy of invoice(s) / receipt(s)
- *NFRC window stickers or NFRC report.
